## CHAPTER \_\_\_\_\_

An act to add Section 25608.10 to the Business and Professions Code, relating to alcoholic beverages, and declaring the urgency thereof, to take effect immediately.

## LEGISLATIVE COUNSEL'S DIGEST

SB 1159, Cox. Alcoholic beverages: possession: Truckee River.

(1) Existing law establishes the Alcoholic Beverage Control Act to regulate the possession, sale, and consumption of alcohol. Existing law makes it a crime to violate any provision of the Alcoholic Beverage Control Act.

This bill would prohibit specified persons on certain portions of the Truckee River from possessing a container, as defined, with an alcoholic beverage during the summer holiday periods that the Placer County Board of Supervisors prohibits the consumption of an alcoholic beverage or possession of an open alcoholic beverage container on the land portions along those portions of the river. The bill would require Placer County to provide notice on the land portions along the Truckee River that this conduct is punishable as an infraction.

Because this bill would create a new crime and require Placer County to provide notice on the land portions along the river that this conduct is punishable as an infraction, this bill would impose a state-mandated local program.

This bill would make legislative findings and declarations as to the necessity of a special statute.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

(3) This bill would declare that it is to take effect immediately as an urgency statute.

*The people of the State of California do enact as follows:*

SECTION 1. Section 25608.10 is added to the Business and Professions Code, to read:

25608.10. (a) On the portion of the Truckee River, from the outfall of Lake Tahoe upstream of the Highway 89 Bridge in Tahoe City to the Alpine Meadows Bridge, a person in a vessel, as defined by Section 651 of the Harbors and Navigation Code, or a bather, as defined by Section 651.1 of the Harbors and Navigation Code, shall not possess a container with an alcoholic beverage, whether opened or closed, during the summer holiday periods that the Placer County Board of Supervisors prohibits the consumption of an alcoholic beverage or possession of an open alcoholic beverage container on the land portions along this portion of the river.

(b) For purposes of this section, “container” means a bottle, can, or other receptacle.

(c) A violation of this section is punishable as an infraction pursuant to subdivision (b) of Section 25132 of the Government Code.

(d) Placer County shall provide notice on the land portions along the Truckee River described in subdivision (a) that a violation of this section is punishable as an infraction.

SEC. 2. The Legislature finds and declares that a special law is necessary and that a general law cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution because of the unique problem of prevalent consumption of alcohol during certain summer holiday periods on this portion of the Truckee River and the health hazards created by improper disposal of beverage containers.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for certain costs that may be incurred by a local agency or school district because, in that regard, this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the

meaning of Section 6 of Article XIII B of the California Constitution.

However, if the Commission on State Mandates determines that this act contains other costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.

SEC. 4. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to protect the health and safety of the public due to the problem of consumption of alcohol during certain summer holiday periods on a portion of the Truckee River, it is necessary for this act to take effect immediately.
